The Group's support of 107 ECD centres across South Africa – through skills training for practitioners and the provision of 381 590 nutritious meals – benefitted 7 151 children during the last financial year and will be continued in 2023.

### **Discounts for schools**

To further assist schools, Shoprite's Edu Card gives educational institutions an automatic discount of up to 2.5% off all essential goods, including stationery, cleaning products and more. [See here](#) for more information and to apply.
