

## **Community food gardens to sell their fresh harvest at Shoprite and Checkers' Market Day**

Fresh and organically grown produce from 35 community food gardens will be available for purchase directly to the public at selected Shoprite and Checkers supermarkets on Wednesday, 7 June 2023.

"For the first time since Market Day's inception in 2017, community food gardens in Lesotho will also be selling their produce directly to the public. We're very excited that Market Day keeps expanding and that we continue to support community food gardens to create sustainable livelihood opportunities in more ways," says Sanjeev Raghubir, Sustainability Manager at the Shoprite Group.
