

Something sweet just landed

We're excited to share something fresh and delicious — the new Sixty60-branded Krispy Kreme special-edition doughnut range. Because let's be honest: everything looks and tastes better in teal.

Whether it's a full-blown Sixty60-themed party or just a treat-yourself-Tuesday, we've got the doughnuts to match the vibe.

How do you get your hands on these, you ask?

You can buy 3-packs of the doughnuts at any one of the [53 Krispy Kreme carts located in selected Checkers stores](#) across Gauteng, KwaZulu-Natal, North West and the Western Cape, or order from those stores through [Sixty60](#).

Planning a party? For bulk orders, place your order on krispykremesa.com 48 hours in advance, and collect from your closest in-store Krispy Kreme cart.

We've had fun creating these with Krispy Kreme, and hope you'll enjoy them too — consider this your sugar-sprinkled heads-up.
