

## **Thousands delight in Shoprite Christmas cheer**

The Shoprite Group is spreading festive cheer by hosting Christmas parties for thousands of children and seniors across the country.

In partnership with community heroes the retailer has been surprising young and old South Africans with gifts, treats, games and festive cheer.

These events are taking place at various crèches, orphanages and old aged homes including Ethembeni House (Cape Town), Herfsoord Retirement Centre (Vanderbijlpark), Emmanuel Day Care Centre, Siyakhana Child & Youth Centre (Butterworth), St Thomas Children's Home (Durban) and many more.

"We are humbled to take hands with so many community heroes who are committed to improving the lives of our children and seniors. A number of events are still planned before Christmas and we look forward to spreading much more joy this Christmas season," says Lunga Schoeman, Shoprite spokesperson for CSI.
