

There's still time to be part of Africa's biggest cleanup

It is not too late to join Africa's Biggest Cleanup Event powered by Shoprite as over 6000 people across the continent come together to clean their communities in more than 500 different events.

Become part of the movement by leading your community or participating in a cleanup taking place from 14-18 July. Register on www.actforchange.africa, a digital platform developed jointly by the Shoprite Group and volunteerism organisation Brownie Points.

Recycling is a key component of the initiative and thus the website contains information about local recycling partners and waste management companies. It also gives guidance on how to organise and what to bring to a cleanup.

Below are some of the cleanup events planned for major centres in South Africa. More details can be found on www.actforchange.africa.

| Place | Date | Time |
|--------------------------------|---------|-------|
| Bloemfontein | 18 July | 07:00 |
| Cape Town/Langa | 14 July | 10:00 |
| Durban | 18 July | 10:00 |
| Hazyview Junction (Mpumalanga) | 17 July | 09:30 |
| Kimberley | 18 July | 07:00 |
| Polokwane | 18 July | 10:00 |
| Port Elizabeth/Bethelsdorp | 18 July | 10:00 |
| Rustenburg | 18 July | 10:00 |
| Soweto | 15 July | 08:30 |

Outside of South Africa cleanups are also being organised in Nigeria, Namibia, Zambia and Madagascar. Do your part for the environment and for future generations by taking hands with the Shoprite Group and its partners in the war on waste.
