- partially deboned chicken stuffed with a buttery, rosemary-infused cranberry crumb and topped off with a cranberry glaze
- beef tongue with a sweet mustard sauce
- turducken with a sweet and tangy cranberry glaze
- apricot glazed gammon with sweet pineapple slices and red cherries
- roast beef rubbed with a special spice blend
- venison pie covered topped with a sweet, tangy cranberry glaze

For those who still prefer to prepare their meats the traditional way, Checkers has a range of gammons (bone-in or boneless), corned beef, corned tongue, combo packs as well as a delicious variety of sauces and glazes.

There is also an exquisite selection of Limited Edition sides and salads on offer to complement any festive feast, such as a rainbow carrot salad or a candied beet salad. And to round it all off, the selection of Limited Edition sweet treats include pastéis de nata, luxury trifle, triple chocolate dessert, blueberry mince pies and of course luxury Christmas cake.

The Limited Edition range of festive foods will be available in Checkers and Checkers Hyper stores across South Africa from 22 November.
