

## **Shoprite Angola makes substantial food donation**

More than 2300 children across Angola recently benefited from food donations from all 14 Shoprite stores in the country.

The donations coincided with Children's Day, which in Angola is held on 1 June, and Africa Children's Day on 16 June.

The total value of Shoprite Angola's donations come to 1 million AKZ and some of the children's homes and organisations that benefited include El Betel in Lubango, Rabi Luanda-Viana, Casa de Santo Antonio in Benguela-Cavaco and Weza Humana in Luanda-Samba.

"It is not easy to find companies that know how to make great moments from small ones, but that is exactly what Shoprite did," revealed Weza Humana in a letter of gratitude.
