Accident cover

Your pet is covered for injury as a result of an accident (e.g. a dog or cat fight) or other sudden and unforeseen incidents (e.g. fractured bones).

Illness cover

Your pet is covered for any unforeseen illness where the pet had to be admitted to the veterinary practice or where long-term treatment is required.

Vet visits

This includes veterinary consultation fees, prescribed medication, diagnostic tests and dentistry which does not require admission to a veterinary practice.

Routine care

Routine care contributes towards the cost of maintaining your pet's health and includes vaccinations, anal gland expressions and voluntary sterilisation. You may only submit one claim per year.
