

## **Usave lends helping hand to Aberdeen soup kitchen**

Usave made a much-needed donation to the Ubuntu Soup Kitchen in Aberdeen to support their work in serving the communities of Aberdeen, Lotusville and Thembalisizwe.

The donation included essential equipment including a fridge, freezer, gas stove and cooking utensils. Usave also donated essential food items, blankets for the elderly, hand sanitizer as well as gardening aprons & hats.

Usave recently also donated seedlings and gardening equipment to support Ubuntu in establishing a food garden, which will provide the kitchen with fresh vegetables for their feeding scheme.

“We are grateful for Usave’s continued support,” said Arend Kekana, Chief Executive Officer at the Ubuntu Soup Kitchen. “This donation plays a vital role in our ability to continue serving vulnerable community members.”

The Shoprite Mobile Soup Kitchen was also present at this week’s handover, to serve a warm meal of fortified soup and bread to the community.
