

Shoprite thanks healthcare workers at Tshepong Hospital for their acts of service

(19 February 2021) Healthcare workers at the Klerksdorp-Tshepong Tertiary Hospital were honoured by the Shoprite Group this week for their selfless acts of service.

Care packages containing snacks, water and essential toiletries like soap and waterless hand sanitisers were distributed to medical and support personnel, along with greeting cards specially drawn by children from early childhood development centres supported by Shoprite.

“Our healthcare workers continue to work around the clock in the fight against the Covid-19 pandemic with little breaks due to our hospital being ever so busy. This donation from Shoprite is highly appreciated, on their behalf, I would like to thank you,” commented Dr Mpho Dikhing, CEO of the Klerksdorp-Tshepong Tertiary Hospital.

“Since the start of this pandemic, we have donated more than 12 000 care packages to health facilities across the country. At Shoprite we place great value on the communities we serve, and we will continue to support those impacted by this pandemic,” commented Lunga Schoeman, CSI Manager for the Shoprite Group.
