(22 April 2022) Shoprite is donating R500 000 worth of tinned food and bottled water to communities affected by the devastating KwaZulu-Natal floods, while its fleet of Mobile Soup Kitchens continue to serve 9 000 meals in the province every single day.

Essential food parcels – containing rice, maize meal, cooking oil and other non-perishables – and blankets will also be distributed to affected families in partnership with [Gift of the Givers](#) and [Ashrafu! Aid](#).

“The frequency of climate-related disaster, like the KwaZulu-Natal floods, are likely to increase and the Shoprite Group is committed to building the resilience and adaptive capacity of the communities that it is a part of,” added Raghbir.
