

## **Olivedale Corner home to Gauteng's first standalone Medirite Plus pharmacy and new Checkers supermarket**

The Shoprite Group opened Gauteng's first standalone Medirite Plus pharmacy at the Olivedale Corner retail centre in Randburg. Centrally located on President Fouché Drive, the open-air centre also houses a new Checkers supermarket.

A full-service one-stop health and wellness destination, Medirite Plus offers an affordable and accessible product range that includes health, beauty, baby and skincare brands.

Customers can fulfil all their pharmacy needs with carefully selected, qualified and professional pharmacists on duty to assist and advise. Medirite Plus also stocks specialised healthcare items like wheelchairs, walkers and crutches.

Getting prescription medication is super convenient: PrepMyScript makes it easy to pre-order chronic repeat medication. And [Medirite Courier Pharmacy Service](#) also delivers repeat prescription medication straight to a customer's door at no extra cost - a free service contracted to most medical aids.

Medirite Plus accepts all major medical aids, and customers can also use their Xtra Savings cards to benefit from the rewards programme.

The pharmacy manager is Lindokuhle Madonda, a former [Shoprite bursary holder](#) who completed his internship with Medirite and has been working for the pharmacy chain since 2018.

Trading hours at Medirite Plus Olivedale are:

- Mondays to Fridays: 08:00 – 19:00
- Saturdays: 08:00 – 18:00
- Sundays: 08:00 – 15:00

END
