## SUPERMARKETS NON-RSA PERFORMANCE

- Supermarkets Non-RSA operational strength evidenced by
- $4.8 \%$ sales growth in constant currency terms
- 10 of 14 countries increased sales in constant currency terms
- $5.4 \%$ volume growth
- Zambia sales up $14.7 \%$ in constant currency terms
- $3.1 \%$ sales decline in rand terms
- Significant currency devaluation in Angola and Zambia
- Currency instability remains the largest uncontrollable issue
- Further import restrictions, limited local supply exists
- Challenges are complex and country-specific

|  | Constant currency | Sales growth (ZAR) |
| :---: | :---: | :---: |
|  | -1.9\% | -27.5\% |
|  | -8.1\% | -5.9\% |
|  | +3.7\% | +3.7\% |
|  | +14.7\% | -1.5\% |

- 0.5\% trading margin

## ANGOLA PERFORMANCE

- Affordability for consumers remains challenging
- Conditions worsened in Q2
- 14\% VAT introduced in Oct 2019 hurt consumers
- Further 29.6\% devaluation against USD in Q2 drove sharp increase in price inflation
- Gross margin percentage maintained
- Sufficient liquidity, self-funding operations
- Improved stock availability
- Repatriated \$34m from Angola

## NIGERIA PERFORMANCE

- September protests disrupted footfall in shopping centres

Nigeria supermarkets ave. weekly customer visits

## NON-RSA ACTIONS

- Remain committed to the continent, but not at all cost
- Looking at long-term options, but our focus is on immediate actions
- Alternate operating models and structures are under review
- Reviewing options country by country
- Renewed buying interest in our property portfolio could reduce capital invested

## Immediate actions taken:

- Focus on reducing cost of operations
- Rent reductions in 17 supermarkets (16 more underway)
- De-dollarising rent and borrowings
- Productivity improvements of $\mathbf{2 . 4 \%}$ (H1)
- Assessing viability of unprofitable stores (closed 4 supermarkets during the period Jan to Dec 2019)
- Curbing capital allocation for new stores and developments
- Will only have opened 13 supermarkets for the full financial year ending June 2020 (vs 17 planned)
- Operational actions should improve financial performance

## FURNITURE \& OTHER OPERATING SEGMENTS

## Eouse \& FoLme

## UPDATE ON SALE OF DCs

## Strategic rationale:

」 In line with the Group's strategy to optimise ROIC
$\checkmark$ Release of capital to be deployed into higher yielding retail projects and technology, as opposed to debt reduction

」 Provides operational and capital flexibility
$\checkmark$ Results in a strategic partnership with a best-in-class logistics property company in South Africa
